Your child will read The Vampire Dentist this week in class. This is a Level L story. It might not be in your child's exact level, however this selection is one that is on level for second graders at this point in the school year. It is second grade appropriate and an enjoyable Halloween story to read. If the story is difficult for your child, please take turns reading the pages at home or read the book to your student. Your second grader will take a written assessment over this selection on Friday. We will go over the story's plot often in class. October Refrigerator Reading is due on Tuesday, October 31st.
