Last Friday your child chose a nonfiction animal book from our school library. This will be his/her focus book for the week. We will spend a lot of time on learning about nonfiction text features this week (including index, glossary, captions, bold words, diagrams, table of contents, etc.) The children will use their selected nonfiction animal book and create a nonfiction project in class. They will also take an AR quiz on Friday over this selection. Please continue to work with your child on meeting his/her new AR goal of earning at least 5 AR points during this grading period. November's Refrigerator Reading is due on Nov. 30th.
