Today your child will bring home the book entitled Christmas Wishes. We will read through this selection, in class, for two weeks. Please refer to the reading assignments below. This is a longer book, but it is not broken up into chapters. I will place a sticky note in your child's book so you know where to begin and end reading each night. Your second grader will complete an AR test over the entire book on Monday, December 11th. During the process of reading this chapter book, please also make sure that your child is reading good fit AR books to ensure that he/she meets the grading period goal of earning 5 points. November's Refrigerator Reading is due on Nov. 30th.
